Re: Demurrage Charges

ICL will increase demurrage charges on westbound shipments into the ports of Chester, PA and Richmond, VA as follows:

Freetime is 5 working days from vessel arrival/discharge, thereafter demurrage charges will accrue as follows:

Per 20' container

Calendar days 1-4 at \$35 per calendar day
Thereafter at \$85 per calendar day

Per 40' container

Calendar days 1-4 at \$35 per calendar day
Thereafter at \$85 per calendar day

These rates will go into effect on December 5, 2008. Note demurrage rates are now the same regardless of container size.

ICL does not offer credit terms for demurrage charges incurred therefore all demurrage must be paid prior to cargo release. Demurrage will continue to accrue until payment is received and container is moved from the terminal.

Inquiries regarding demurrage can be directed to Import Customer Service as follows:

Chester, PA POD 1-888-827-7805
Richmond, VA POD 1-888-827-6885

****Failure by ICL to notify you of impending demurrage does not exempt you from any demurrage charges incurred. All demurrage charges incurred will be billed in accordance with FMC Tariff 007.****
