Payment Process for Demurrage Charges

Effective May 4, 2009, the guarantee/payment process for demurrage charges will be changing. We will no longer accept paper checks for demurrage payments. The new process replacing paper checks is called ACH EXPRESS DEBIT. Checks will no longer need to be sent via courier to our office in Charlotte and there is no payment limit as in the past.

Attached is a copy of the form with all of the pertinent information needed to process the payment and the release of containers. The form requests the routing number and the aba number. Both numbers are available across the bottom of your check. Once the form is completed, please fax to 877-515-0511 for processing.

Also, listed below are two other forms of acceptable methods of payment. These have not changed.
