

## Safmarine Oranje Voyage Number N003

**Client Advisory**  
**April 8, 2009**

Dear valued customer,

Please be advised that shortly after her departure from Cape Town, the Safmarine Oranje suffered a technical breakdown following an economiser fire that has damaged some water tubes.

There were no injuries and no damage to cargo.

The vessel was initially anchored off Table Bay in Cape Town and then proceeded to Saldanha Bay to effect temporary repairs. The vessel is still undergoing repairs at this point in time. The Master has advised that the vessel will not proceed with the voyage until the repairs have been completed and successfully tested.

No specific date has been provided as to when the vessel will depart for the USA.

Further updates will be communicated as soon as possible.

Should you have questions or require any assistance with this information, please contact your Safmarine Account Manager or your Safmarine Customer Resource Center (USA and Canada) at 1(866) 866-4723.

To be added or removed from this distribution list please notify the Safmarine Account Manager or Safmarine Office nearest to you.
